Network Science Research Lab
Indian Institute of Information Technology Kottayam

Winter Internship Call 2026

Complex Networks | Network Neuroscience | Multilayer & Higher-Order Networks | Graph Learning | Epidemic Spread Modelling and Vaccination Strategies | Network Science for a Resilient World

Explore • Learn • Collaborate

Application deadline: 20 November 2026

RESEARCH AREAS

- Complex Networks & Graph Theory
- Network Analytics & Machine Learning
- Network Neuroscience
- Multilayer & Higher-Order Networks
- Climate, Social & Biological Networks
- Epidemic Modelling & Vaccination Strategies

WHO CAN APPLY?

Motivated undergraduate and postgraduate students in Computer Science, Mathematics, Data Science and related areas.

OTHER HIGHLIGHTS

- Financial support for conference publications
- Extension of internship on need-basis

WHAT WE OFFER

01	02	03	04
Hands-on Research	**Expert Mentorship**	**Collaborative Research Environment**	**Certificate of Completion**

MODE OF INTERNSHIP
Hybrid (Online + Offline)

INTERNSHIP PERIOD
Starts 25 November 2026
Minimum: 4 weeks

INTERNSHIP FEE
Rs. 5,000/-
As per Institute policy
